

## Manna's Mission

Manna on Main Street is committed to ending hunger in the North Penn region by providing food, fulfilling social service and education needs, and conducting community outreach. Through Manna's market and kitchen, emergency financial aid, counseling and referrals, and education opportunities, we serve those in need with the hope "that everyone might be fed."

### Manna's Impact

This past year, Manna has...

- Distributed more than 460,315 pounds of food to more than 2,730 individuals in need;
- Provided more than 37,497 meals to the working poor, the elderly and the homeless;
- Coordinated more than \$116,845 in emergency financial aid with the support of community partners;
- Assisted individuals through our education program, including job readiness, financial planning and computer literacy support.

### The Need: Why Support Manna?

- **Hunger is a significant concern in our community.** 10% or more than 80,710 individuals in Montgomery County and 13.2% or more than 23,900 children are food insecure (Feeding America Map the Meal Gap 2016).
- **Poverty limits food options for many.** In Montgomery County, 7.1% of people live in poverty, with approximately 7,500 individuals living in poverty in the North Penn region (US Census, 2010-2014; Greater North Penn Community Needs Assessment, 2012). Although we live in an affluent community, many among us need help. Manna's doors are open seven days a week.
- **More care is needed.** Manna is offering increased food and emergency services as well as new education opportunities to help more neighbors in need. We need your support to serve our community!
