Manna's Mission

Since 1981, Manna on Main Street has been committed to ending hunger in the North Penn region by providing food, fulfilling social service and education needs, and conducting community outreach. Through a food pantry and soup kitchen, emergency financial aid, counseling and referrals, and education opportunities, we serve those in need with the hope "that everyone might be fed."

With your help this past year, Manna has...

- Distributed 344,383 pounds of food to 999 households in need;
- Provided 36,455 meals to the working poor, the elderly and the homeless;
- Coordinated more than \$75,000 in emergency financial aid with the support of community partners;
- Engaged extraordinary supporters, with 2,225 volunteers offering their time and talents to help others;
- Launched an education program to help lift individuals up beyond hunger to self-sustaining opportunities.

With your support we can help friends like Lindora.

Lindora started shopping in Manna's food pantry when she was no longer able to work due to multiple sclerosis. We provided food for awhile, but soon, Lindora could no longer travel to our pantry. It was too painful to even climb her stairs at home; she needed help. Manna was able to pay for part of her security deposit for a ground-floor apartment. Lindora was relieved to have a safe and comfortable place to live. She explained that, "Once I got sick, my life changed so fast. I really needed help, and Manna was there for me." Although she still struggles, Lindora is doing a little better each day. Manna is working with her to coordinate transportation options so that she can use our pantry when needed. Lindora is grateful for our community's care.

Your race registration helps friends like Lindora and so many others in need. Thank you!
