

Dear Friend,

On October 11th, Manna on Main Street is racing to help end hunger! Join us for our 4th Annual 5K Race and 1 Mile Fun Run as a Sponsor and make a difference in the lives of the hungry in our community.

Manna on Main Street is a soup kitchen, food pantry, emergency financial aid and education provider serving the North Penn region. In our community, many neighbors are struggling to put food on their table each day. Last year alone, Manna served a record 36,455 meals and distributed 344,383 pounds of food to more than 2,000 individuals. *So many in our region are hungry.* On October 11th, your company can help!

As a Race Sponsor, your support will be shared county-wide and among the 500 anticipated runners. Join the community for family-friendly activities, a fun shopping cart challenge, and new Race features including chip timing! Sign up now to show your support. Your sponsorship will help neighbors like Lindora.

Lindora started shopping in Manna's food pantry when she was no longer able to work due to multiple sclerosis. We provided food for awhile, but soon, Lindora could no longer travel to our pantry. It was too painful to even climb her stairs at home; she needed help.

Manna was able to pay for part of her security deposit for a ground-floor apartment. Lindora was relieved to have a safe and comfortable place to live. She explained that, "Once I got sick, my life changed so fast. I really needed help, and Manna was there for me." Although she still struggles, Lindora is doing a little better each day. Manna is working with her to coordinate transportation options so that she can use our pantry when needed. Lindora is grateful for our community's care.

Your support is life-changing for Lindora and others facing hunger and crises each day! We hope that you will join us as a Race Sponsor. We look forward to connecting with you.

With thanks from the Manna on Main Street team,

Suzan Neiger Gould
Executive Director

About Manna

Manna on Main Street is a food pantry, soup kitchen, emergency financial aid and education provider serving the North Penn region. The vision of Manna on Main Street is "that everyone might be fed."

Thank you for your support!

Manna's Mission

Manna on Main Street is committed to ending hunger in the North Penn region by providing food, fulfilling social service and education needs, and conducting community outreach. Through a food pantry and soup kitchen, emergency financial aid, counseling and referrals, and education opportunities, we serve those in need with the hope "that everyone might be fed."

Manna's Impact

This past year, Manna has...

- Distributed 344,383 pounds of food to 999 households in need;
- Provided 36,455 meals to the working poor, the elderly and the homeless;
- Coordinated more than \$75,000 in emergency financial aid with the support of community partners;
- Engaged extraordinary supporters, with 2,225 volunteers offering their time and talents to help others;
- Launched an education program to help lift individuals up beyond hunger to self-sustaining opportunities.

The Need: Why Support Manna?

- **Hunger is growing in our community.** More than 88,000 individuals in Montgomery County are food insecure; 14% are children (Greater Philadelphia Coalition Against Hunger). Manna continues to serve a growing number of individuals in need in our food pantry and soup kitchen.
- **Poverty limits food options for many.** In Montgomery County, more than 6% of people live below the poverty level, with approximately 7,500 individuals living in poverty in the North Penn region (US Census, 2008-2012; Greater North Penn Community Needs Assessment, 2012). Although we live in an affluent community, many among us need help. Manna's doors are open seven days a week.
- **More care is needed.** Manna is offering increased food and emergency services as well as new education opportunities to help more neighbors in need. We need your support to serve our community!
