

Manna's Mission

Manna on Main Street is committed to ending hunger in the North Penn region by providing food, fulfilling social service and education needs, and conducting community outreach. Through a food pantry and soup kitchen, emergency financial aid, counseling and referrals, and education opportunities, we serve those in need with the hope "that everyone might be fed."

Manna's Impact

This past year, Manna has...

- Distributed 462,090 pounds of food to 1,050 households in need;
- Provided 38,667 meals to the working poor, the elderly and the homeless;
- Coordinated more than \$80,000 in emergency financial aid with the support of community partners;
- Assisted 161 individuals through our education program, including job readiness, financial planning and computer literacy classes.

The Need: Why Support Manna?

- **Hunger is a significant concern in our community.** More than 88,000 individuals in Montgomery County are food insecure; 14% are children (Greater Philadelphia Coalition Against Hunger). Manna continues to serve a growing number of individuals in need in our food pantry and soup kitchen.
- **Poverty limits food options for many.** In Montgomery County, more than 6% of people live below the poverty level, with approximately 7,500 individuals living in poverty in the North Penn region (US Census, 2008-2012; Greater North Penn Community Needs Assessment, 2012). Although we live in an affluent community, many among us need help. Manna's doors are open seven days a week.
- **More care is needed.** Manna is offering increased food and emergency services as well as new education opportunities to help more neighbors in need. We need your support to serve our community!
