*New home equity term loans of \$25,000 or more and new home equity line of credit applicants that take an initial draw of the lesser of \$25,000 or 50% of their line at closing, will receive a credit of up to \$675 toward closing costs and fees, subject to approval. If closing costs and fees are less than \$675 a credit for the actual costs will be applied. If closing costs and fees exceed \$675, the balance of the closing costs and fees will be paid by the loan recipient(s). Offer is only valid on new home equity term loan and line of credit applications. Offer is available for a limited time only, may not be combined with any other loan offer, and is subject to change at any time.
